MEMORANDUM FOR: [REDACTED]
Chief, Security Staff, OD&E

25X1A

FROM: [REDACTED]
Chief, Industrial Security Branch,
Office of Security

SUBJECT: An Alternative to Recommendation "N"
Contained in the ISB Audit Report of [REDACTED]

25X1A

REFERENCE: Your memo, [REDACTED] dtd 17 May 79

25X1A

1. The reference indicates that the Security Staff, Office of Development and Engineering, disagrees with recommendation "N" which states that the practice of taking classified waste to Headquarters be discontinued, and that in place of this method, Agency classified waste be transmitted for destruction to the Contracting Officer's Security Representative, in accordance with the Two-Person Rule. (S)

2. As an alternative to recommendation "N", the following recommendation is made:

It is recommended that the practice of dropping off classified waste at Headquarters building be discontinued, and that in place of this method, Agency classified waste be transmitted for destruction to the Office of Development and Engineering Registry, [REDACTED] in accordance with the Two-Person Rule. The OD&E Registry shall receipt for the classified documents and shall transmit them to the Headquarters building for destruction. (S)
